

FOSTER/ADOPTION APPLICATION

Please note: completing an application does not guarantee an interview, and City Critters reserves the right to decline any adoption. You may check the status of your application by e-mailing info@citycritters.org.

We ask adopters to sign an adoption agreement and pay a non-refundable **\$100 fee per cat** towards our costs for vet care and supplies. We deliver cats to the home.

Thanks for your time and patience in answering these questions. Please write legibly!
